FLEXiPOLE POS MOUNTS

FOR VERIFONE P630 PAYMENT TERMINAL

Tailwind FlexiPole™ from ENS is a versatile pole mount system with bespoke back plate for Verifone P630 Payment Terminals.

Security is designed into FlexiPole through a unique latching system which securely holds the device in place, together with additional security options. Simply select the FlexiPole mounting option for your Verifone P630.

- ✓ Protects your investment by protecting your PIN Pad and cables from damage, theft and criminal interference
- ✓ Future proof – if you change your PIN Pad, you only need a new back plate
- ✓ Quick Release, Locking or Tethered options
- ✓ Helps you to comply with accessibility/disability regulations and PCI DSS/P2PE security requirements
