Description

Freezable Gel Mask

Removable gel mask provides easy cleaning and instant cooling sensation to reduce swelling, dark circles, blurred vision, and also the effects of dry eyes.

Vibration Function

Wake up and reinvigorate the eyes with a stimulating vibration that boosts skin elasticity, brightens dull skin, and reduces pain from eye strain and fatigue.

Improved Fit & Comfort

Extended eye cushion reaches out to comfort your temples.
Higher nose bridge reduces pressure.
Reduced Noise Motor is now quieter at less than 43dB.

Auto-save Memory

Recalls your last settings ready for the next time you switch on the device.
