USB 10 Gbps Hub with 2 USB Type-C™ and 2 USB Type-A Ports

Description

This solid USB hub by Delock with **metal housing** can be connected to a computer, laptop or mobile device via the USB Type-A or USB-C™ interface. It expands the computer by **four USB ports**. Different USB devices such as USB flash memory, card reader, external enclosure etc. can be connected. A maximum **data transfer rate of up to 10 Gbps** can be reached.

Item no. 64259

EAN: 4043619642595

Country of origin: China

Package: Retail Box

Extensive connectivity

Due to the specially designed adapter, the Delock hub can be quickly and easily connected to the USB Type-A socket. Thus, it can be easily connected to new devices with USB Type-C™ female and older devices that only have a USB Type-A connector. The adapter is located directly on the cable and therefore it cannot be lost.

Inclined design

Due to the **specially adapted inclination**, the hub is ideal for the home or office desk. This makes it easy to plug in USB devices.

Secure stand

The **rubber pads** on the bottom prevent the hub from slipping when, e.g. a USB stick or USB cable is plugged in.

Small, stable and handy

Due to its **small dimensions and its sturdy housing**, this Delock hub is particularly suitable for travelling. It can simply be packed into the bag together with the laptop or tablet and used as needed.

Additional USB Type-C™ connector for power supply

If the power supply of the host device is insufficient, a separate power supply can be connected to the additional USB-C™ female. Charging of the host device is not possible.

Technical details

- Connectors:
  1 x USB 10 Gbps USB Type-C™ female (host)

All names and symbols mentioned here are property of the respective producer. Printing errors, changes and errors excepted. **© 2026 by Delock. All rights reserved.**

2 x USB 10 Gbps USB Type-C™ female
2 x USB 10 Gbps Type-A female
1 x USB Type-C™ female (optional for power supply, 5 V)

- Data transfer rate up to 10 Gbps
- LED indicator
- Robust metal housing
- Plug & Play
- Bootable
- Colour: black
- Dimensions (LxWxH): ca. 90 x 65 x 28 mm

System requirements

- Android 14.0 or above
- Chrome OS
- Linux Kernel 6.8 or above
- Mac OS 14.5 or above
- Windows 10/10-64/11
- iPad Air (4th Generation) or above
- iPad Pro (3rd Generation) or above
- Surface Pro 7
- Device with a free USB Type-C™ port or with a free Thunderbolt™ 3, Thunderbolt™ 4 or Thunderbolt™ 5 port or
- A free USB Type-A port

Package content

- Hub USB
- Cable USB-C™ male to USB-C™ male (with adapter to USB Type-A male), length ca. 80 cm
- User manual
