## Description

WD Gold WD261KRYZ - Hard drive - Enterprise - 26 TB - internal - 3.5" - SATA 6Gb/s - 7200 rpm - buffer: 512 MB

## Main features

|                     |                                                                                                                                         |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Product Description | WD Gold WD261KRYZ - hard drive - Enterprise - 26 TB - SATA 6Gb/s                                                                        |
| Type                | Hard drive - internal                                                                                                                   |
| Capacity            | 26 TB                                                                                                                                   |
| Form Factor         | 3.5"                                                                                                                                    |
| Interface           | SATA 6Gb/s                                                                                                                              |
| Data Transfer Rate  | 600 MBps                                                                                                                                |
| Buffer Size         | 512 MB                                                                                                                                  |
| Spindle Speed       | 7200 rpm                                                                                                                                |
| Drive Class         | Enterprise                                                                                                                              |
| Features            | Conventional magnetic recording (CMR), OptiNAND technology, HelioSeal, ArmorCache Technology, advanced format 512e, vibration-resistant |
| Dimensions (WxDxH)  | 101.6 mm x 147 mm x 26.1 mm                                                                                                             |
| Weight              | 670 g                                                                                                                                   |
