W accessories

1.- FIXING THE MOUNT TO THE WALL

2.- ATTACHING THE SCREEN TO THE MOUNT

3.- ADJUSTMENT OF THE TILT OF THE SCREEN

IMPORTANT

- 1.- The installation surface must be completely flat. Make sure the holes in the wall coincide with the holes on the plate. Screw the mount to the wall, in vertical position only.
- 2.- To adjust the screen, loosen the corresponding bolts, move the screen to the desired position and tighten the bolts. Never force the screen without loosening the bolts, to avoid breaking it.
- 3.- The mount must be properly and firmly attached to the wall or installation surface to make sure that the support holds the maximum weight. **FONESTAR** does not hold itself responsible for damage or breakages due to the mount falling away from the wall because it was incorrectly attached, the wall was in bad conditions or it was handled incorrectly.

WARRANTY

This product has been tested and has passed the corresponding quality control prior to being put on the market. **FONESTAR** guarantees the suitability of the product for its specified use during a period of 2 years from the delivery date and commits itself to repair or substitute the goods as expressed in the Spanish law 'La Ley General para la Defensa de los Consumidores y Usuarios, Real Decreto Legislativo 1/2007 16 Noviembre.

The lack of conformity in the first six months after purchase, due to a manufacturing defect, will be rectified with no more than showing the proof of purchase. After six months **FONESTAR** reserves the right to demand proof of the product being sold with that problem.

This warranty does not include damage produced by: inappropriate use or negligence, accidents, worn out parts due to use, breakages, burns, spilt liquids or other substances, excessive humidity, battery deterioration and internal manipulation of the device, the software or its components by unauthorized persons, and in general any use that is unrelated to the nature and purpose of the product.

If any service is needed during the warranty period because of lack of conformity, please contact the business or distributor where the product was purchased in no more than 2 months after being conscious of the problem. It is only necessary to contact **FONESTAR** if it is impossible or imposes an undue burden for them to solve it.

To benefit from this warranty it is necessary to show the proof of purchase with the date clearly visible, with no corrections or crossing out.

This document adds information, and never decreases the consumers' rights, which in all cases are protected by the Spanish law 'La Ley General para la Defensa de los Consumidores y Usuarios, Real Decreto Legislativo 1/2007 16 Noviembre.
