

Sakura Permapaque

BLXZPKSN2B - Sakura Permapaque Fine set | Black + Red

Sakura Permapaque is a unique, universal permanent marker with a water-based pigmented ink. This opaque marker features a fine tip (1 mm) and requires no shaking or pumping before use. Thanks to its special ink, Permapaque guarantees a permanent, opaque finish.

Characteristics:

- Ideal for use on various surfaces, including coated paper, wood, metal, plastic, aluminium and glass.
- Suitable for a wide variety of industrial environments.
- Odourless and non-toxic ink.
- Features a fine point for fine details and precise lines.
