

MPN: MMKN030-8GB

8GB Memory Module NON-ECC, DDR3 PC3 12800, 204PINS, SO-DIMM

In CoreParts you will find a wide range of alternative RAM modules all using original chip sets, that match the performance of your original RAM modules with different sizes, and capacities, manufactured by high-end, certified and trusted suppliers.

- High Quality
- Tested and certified
- Matching Performance
- Reliable with 10 years Warranty

Especificaciones

Features	Color producto	Green
	Componente para	Notebook
	Configuración del módulo	512M x 8
	Diseño de memoria (módulos x tamaño)	1 x 8 GB
	ECC	No
	Factor forma memoria	204PINS SO-DIMM
	Latencia CAS	11
	Memoria interna	8 GB
	Tipo memoria interna	DDR3 PC3 12800
	Velocidad de reloj de memoria	1600 MHz
	Voltaje de memoria	1.35 V
Other features	Capacidad	8 GB
	Número de pines	204
	Organización de chips	512*8
Vendor information	Brand Name	CoreParts
	Warranty	10 Año/s
