

MPN: MMKN115-16GB

16GB Memory Module ECC/REG, DDR4 PC4 21300, 288PINS, DIMM

In CoreParts you will find a wide range of alternative RAM modules all using original chip sets, that match the performance of your original RAM modules with different sizes, and capacities, manufactured by high-end, certified and trusted suppliers.

- High Quality
- Tested and certified
- Matching Performance
- Reliable with 10 years Warranty

Especificaciones

Features	Clasificación de memoria	2
	Componente para	PC/server
	Configuración del módulo	1024M x 4
	Diseño de memoria (módulos x tamaño)	1 x 16 GB
	ECC	Yes
	Factor forma memoria	288PINS DIMM
	Latencia CAS	19
	Memoria interna	16 GB
	Tipo memoria interna	DDR4 PC4 21300
	Velocidad de reloj de memoria	2666 MHz
	Voltaje de memoria	1.2 V
	Other features	Capacidad
Número de pines		288
Organización de chips		1024*4
Vendor information	Brand Name	CoreParts
	Warranty	10 Año/s
