Description

Customizable Wireless Gaming Mouse with RGB Lighting

ADVANCED CUSTOMIZABILITY. UNLEASHED.
With the Razer Basilisk V3 X HyperSpeed, there are no limits on how you choose to play. Armed with 9 programmable controls, dual-mode wireless connectivity, and customizable Razer Chroma™ RGB, it is made to answer to only one master?you.

ICONIC ERGONOMIC FORM WITH 9 CUSTOMIZABLE CONTROLS
Unrivalled Handling and Command
Favored by millions worldwide, the mouse's signature shape perfectly supports different grips. Featuring numerous easy-access buttons and an added multi-function trigger, enjoy an endless combination of commands and macros right at your fingertips.

DOUBLE YOUR CONTROL WITH RAZER HYPERSHIFT
Enabled via Razer Synapse, Razer Hypershift lets you assign and unlock a set of secondary commands on top of the 9 existing controls on the mouse. Set to the multi-function trigger by default, simply hold the trigger while pressing the desired button to perform its secondary command.

MULTI-DEVICE SUPPORT
Streamline your setup and free up a USB port by connecting your wireless mouse and keyboard to a single dongle—a feature that can be activated in our latest Razer HyperSpeed peripherals.

RAZER CHROMA™ RGB
Enhanced Customization and Immersion
Customize from 16.8 million colors and countless lighting effects, and experience greater immersion as the mouse reacts dynamically with over two-hundreds of Chroma-integrated games.

RAZER™ 5G ADVANCED 18K OPTICAL SENSOR
Tailor the mouse to your playstyle with a new, robust set of sensitivity settings. Enjoy responsive, pixel-precise aim with an ultra-reliable sensor that tracks your movement with zero spinouts.

RAZER™ MECHANICAL MOUSE SWITCHES GEN-2
With new gold-plated contact points, the switches are less prone to degrading and have a longer lifespan of up to 60-million clicks, so you can enjoy crisp execution that's just as consistent.

Main features
