

Sakura Permapaque

BLXZPKTN1C - Sakura Permapaque Dual Point White

Sakura Permapaque is a unique, universal permanent marker with a water-based pigmented ink. This opaque marker features two tips: a 1 mm bullet point and a 5.5 mm chisel point and requires no shaking or pumping before use. Thanks to its special ink, Permapaque guarantees a permanent, opaque finish.

Characteristics:

- Ideal for use on various surfaces, including coated paper, wood, metal, plastic, aluminium and glass.
- Suitable for a wide variety of industrial environments.
- Odourless and non-toxic ink.
- Features two tips: a chisel point for wide coverage and a bullet point for finer details.
