

Amsterdam Standard Series Acrylic

17091042 - Amsterdam Standard Series Acrylic Tube 1 x120 ml Zinc White 104

Amsterdam Standard Series acrylic paint in Zinc White (104) is a semi-transparent color with an excellent lightfastness (+++). Our Standard Series offers you the broadest range of remarkably vibrant acrylic colors. This versatile paint is easy to work with and offers a smooth application. Use the paint straight from the tube or thinned with a little bit of water or one of our acrylic mediums.

Characteristics:

- Medium viscosity paint for visible brush strokes, texture and smooth coverage with a satin finish.
- Made with high-quality, lightfast pigments.
- Formulated with 100% acrylic resin binder, resulting in an exceptionally durable and flexible paint film with a uniform degree of gloss.
- Odorless, water-based formula that becomes waterproof and permanent when dry.
- Extensive range of 90 colors with a great variety in opacity, including 17 Specialty Colors (metallic, pearl and reflex finishes)
- Adheres to virtually any slightly porous surface, including canvas, paper, cardboard, wood, stone and cement.
- Proudly crafted in the Netherlands.
