

Bruynzeel Kids

60124120 - Bruynzeel Super Point felt tip set | 20 colours

The Super Point felt tips from Bruynzeel shouldn't be missing from the craft case of any little creative person! Use the white pen to make coloured areas white again, which is useful if you have coloured outside the lines. Or create a secret code by first using the white pen to create a text or a drawing that nobody can see. If you go over it later with the coloured pens, the text or drawing will magically appear (because it stays white)! Also very handy: with the white pen, you can easily erase stains on textiles. The ink of the pens is washable from the skin and can be washed off most textiles (after pre-treatment with the white pen).

Characteristics:

- The packaging contains 19 different colours of felt tips and a white pen.
- Suitable for children from 5 years of age.
- Good colour output.
- Water-based ink.
- The tip cannot be pushed in.
- Washable from most textiles.
- Gluten-free.

Target group

5+

Content

20 felt tips with extra thick, non-compressible point. Includes white felt tip for special effects or to erase.
