MPN: MMHP244-16GB

16GB Memory Module for HP, DDR4, 2933MHz, ECC Reg, 288-pin DIMM

In CoreParts you will find a wide range of alternative RAM modules all using original chip sets, that match the performance of your original RAM modules with different sizes, and capacities, manufactured by high-end, certified and trusted suppliers.

- High Quality
- Tested and certified
- Matching Performance
- Reliable with 10 years Warranty

Especificaciones

Features	**Componente para**	Notebook
	Configuración del módulo	2048M x 8
	Diseño de memoria (módulos x tamaño)	1 x 16 GB
	Factor forma memoria	262-pin SO-DIMM
	Latencia CAS	42
	Memoria interna	16 GB
	Tipo memoria interna	DDR4
	Velocidad de reloj de memoria	5200 MHz
	Voltaje de memoria	1.1 V
Packaging data	**Tipo de paquete**	Box
Vendor information	**Brand Name**	CoreParts
	Warranty	1 Año/s
