## Epode Wired USB Headset - Black, 2.4m Cable

The ProXtend epode is a professional unified USB headset ideal for those working from home or on the road. With its simple plug and play design the epode is compatible with all Microsoft Windows and Mac systems, with integrated call buttons optimised for both Skype for Business and Microsoft Teams.

With Digital Signal Processing (DSP) technology, the epode suppresses echo and noise from connected devices, ensuring crystal clear audio both for you and the receiver. With its lightweight and premium design, you can keep in touch with everyone as you would from the office.
