Power Adapter 10W 5V 2A 3.5*1.35mm

EU Wall

Coreparts AC adapters are built with premium materials to deliver stable and safe power across a wide range of IT devices. Fully compatible with OEM equipment, they include certified protection features to guard against overvoltage, overcurrent, and short circuits—ensuring reliable performance in everyday use. Their compact yet robust design makes them easy to handle and durable in demanding environments. With a wide product portfolio, we support everything from current models to hard-to-find legacy devices. Every adapter comes with a 12-month full warranty and a satisfaction guarantee, including the right to exchange within the warranty period. When you choose Coreparts, you choose quality, compatibility, and confidence
