Description

Do you work in a company in which there are many different types of printers and copiers? The universal labels are suitable for all standard printers and copiers. They are also all-purpose labels and can be used for various different applications. This means that whenever you need adhesive labels, you will always have the right labels for your particular purpose to hand. With Avery Zweckform's free-of-charge templates and software solutions, you can also design and print the labels really quickly and easily. You can save even more time if you print out the correct postal charges for your letters and packages yourself on your PC: with INTERNETMARKE (Internet stamp), the fast online postal charge system of Deutsche Post with request function. INTERNETMARKE contains Avery Zweckform label templates.
