The STYX full-size mechanical keyboard is the perfect blend of functionality and comfort. Equipped with OUTEMU Red, Brown, Blue, or Peach Silent switches, it delivers up to 50 million clicks and Hot Swap for easy switch replacement. RGB backlighting with 21 modes, a knob for volume and lighting control, and additional multimedia keys give you full control. Double injection keycaps resist wear, while N-key rollover and Anti-ghosting ensure flawless operation. A stable build, two-stage feet, and a detachable braided USB-C cable enhance comfort. Dedicated software with macros lets you fully tailor the keyboard to your needs.
