

Cobra Auxiliaries

24281104 - Cobra Solvent-Free Brush Cleaner Bottle 75 ml

This brush cleaner is suitable for use with Cobra water-mixable oil paint as well as traditional oil paints. The cleaner helps you thoroughly clean your brushes, without having to use harmful solvents like white spirit or turpentine, which makes it better for your health and your environment.

Characteristics:

- Solvent free
- Brushes are easier to clean
- Also cleans brushes with oil colours that are not mixable with water
- How to use:
- Pour the brush cleaner into a jar and clean your brushes in the solution.
- Afterwards, clean your brushes with soap and water.
- After some time, the pigments will separate and sink to the bottom.
- Re-use the brush cleaner after separating the pigments.
- Bring the left-over pigments to your local hazardous waste disposal point.

Target group

14+

Content

Purpose: Mix with traditional oil paint to make it water mixable so that you don't need to use harmful solvents like white spirit or turpentine.

Composition: alkyd resin
