## Description

It is a high-quality, high-performance headset that brings your PC calls and music to life. Enjoy volume and bass level control, as well as the ability to instantly mute the mic - all at your fingertips and the soft leatherette padded headband and earcups allow you to talk or listen in comfort, for hours on end. Soft leatherette padding is easy on your ears - especially when you're listening to music or chatting for hours. Worried about the fit? Don't be. The padding on the headband ensures a fit that molds comfortably to the contours of your head.
