Description

Professional grade conical curling wand for effortless curls.

Simply wrap the hair around the quartz-ceramic conical barrel for fast, easy styling with a smooth finish.

Extra-long barrel is perfect for curling longer hair lengths.

6 digital heat settings up to 210°C and an Advanced Ceramics™ heating system that maintains consistent high heat during use for fast, easy styling on every section.

Main features

| General              |                      |
|----------------------|----------------------|
| Type                 | Curling wand         |
| Technology           | Warm                 |
| Temperature (min)    | 160 °C               |
| Product colour       | Black, Pink          |
| Plate material       | Ceramic              |
| Country of origin    | China                |
| Cord length          | 2.5 m                |
| Auto power off       | Yes                  |
| Auto power off after | 60 min               |
| LED colour           | White                |
| Power source         | AC                   |
| Battery technology   | Lithium-Ion (Li-Ion) |
| Width                | 343 mm               |
| Depth                | 25 mm                |
| Height               | 29 mm                |
