

Kingston Technology ValueRAM módulo de memoria 16 GB 1 x 16 GB DDR4 3200 MT/s 288-pin DIMM

Marca : Kingston Technology

Familia de productos: ValueRAM

Código del producto: KVR32N22D8/16

Nombre del producto : ValueRAM

Kingston Technology ValueRAM . Componente para: PC/servidor, Memoria interna: 16 GB, Diseño de memoria (módulos x tamaño): 1 x 16 GB, Tipo de memoria interna: DDR4, Forma de factor de memoria: 288-pin DIMM, Latencia CAS: 22, Color del producto: Negro, Verde

| Características                              |                           | Características                          |                   |
|----------------------------------------------|---------------------------|------------------------------------------|-------------------|
| Latencia CAS                                 | 22                        | Programador de potencia de voltaje (VPP) | 2,5 V             |
| Memoria interna *                            | 16 GB                     | Color del producto                       | Negro, Verde      |
| Diseño de memoria (módulos x tamaño) *       | 1 x 16 GB                 | Tipo de enfriamiento                     | Disipador térmico |
| Tipo de memoria interna *                    | DDR4                      | Placa de plomo                           | Oro               |
| Rango de memoria de transferencia de datos * | 3200 MT/s                 | Retroiluminación                         | ✗                 |
| Componente para *                            | PC/servidor               | Estándar JEDEC                           | ✓                 |
| Forma de factor de memoria *                 | 288-pin DIMM              | Condiciones ambientales                  |                   |
| ECC *                                        | ✗                         | Intervalo de temperatura operativa       | 0 - 85 °C         |
| Canales de memoria                           | Un canal                  | Intervalo de temperatura de almacenaje   | -55 - 100 °C      |
| Tipo de memoria con búfer                    | Unregistered (unbuffered) | Sostenibilidad                           |                   |
| Clasificación de memoria                     | 2                         | Certificados de conformidad              | RoHS              |
| Voltaje de memoria                           | 1.2 V                     | Peso y dimensiones                       |                   |
| Configuración de módulos                     | 2048M x 64                | Ancho                                    | 133,3 mm          |
| Tiempo de ciclo de fila                      | 45,75 ns                  | Altura                                   | 31,2 mm           |
| Tiempo de actualización de ciclo de fila     | 350 ns                    | Datos logísticos                         |                   |
| Tiempo activo en fila                        | 32 ns                     | Código de Sistema de Armomización (SA)   | 84733020          |
|                                              |                           | Otras características                    |                   |
|                                              |                           | No contiene                              | Halógeno          |
