

## Equip 245112 ratón Oficina Ambidextro RF inalámbrico Óptico 1200 DPI

Marca : Equip

Código del producto: 245112

Nombre del producto : 245112

Equip 245112. Factor de forma: Ambidextro. Tecnología de detección de movimientos: Óptico, Interfaz del dispositivo: RF inalámbrico, Resolución de movimiento: 1200 DPI, Cantidad de botones: 2, Tipo de desplazamiento: Rueda. Fuente de energía: Baterías. Color del producto: Azul

| Ratón                                    |                                                                                                                                                                                                                                                                                        | Requisitos del sistema                 |               |
