EAN/UPC	7393033112820

Description

A lightweight and portable machine, ideal for home sewing for beginners to intermediate sewists. All of your main basic stitches are featured, for key sewing techniques. It has easily adjustable thread tension to fine-tune the look of your stitch. There is an extra high presser foot lift to offer more clearance under the presser foot, ideal for bulkier fabrics or layers. Additionally, the long-lasting LED light provides bright illumination of your sewing area for best results and accuracy as you work.

12 Stitches

basic and decorative stitches for key sewing techniques

Needle Threader

effortlessly thread the needle's eye, saving you time

Four-Step Buttonhole

beautiful buttonholes for your projects in just 4 simple steps

Adjustable Stitch Length

customize stitches for various sewing techniques and creative options

Quick and Easy Threading

get started sewing faster with easy-to-follow threading guides

Easy Stitch Selection

select your stitch with the simple turn of a dial

LED sewing light

To brightly illuminate the sewing area

Free Arm

sew small, hard-to-reach areas like trouser hems and sleeve cuffs with ease
