33W USB-C Nano Single Port Charger, GaN Technology 5V2A-20V1.5A USB PD Plug: USB-C EU Wall - Compatible with all brands of Tablets and mobile devices

Introducing the latest marvel in our Nano Series, the 33W USB-C Charger in sleek black! This powerhouse, equipped with a GaN Chip and PD 3.0 technology, is designed to revolutionize your charging experience. What sets it apart? It's not just compact, powerful, and robust; it's universally compatible with all brands of laptops, tablets, mobile phones, and devices featuring a USB-C port.

Nano Series Innovation: As part of our Nano Series, this charger represents a leap forward in charging technology. With PD 3.0 support, it aligns perfectly with our series' mission to redefine the benchmarks for performance and design.

Compact Powerhouse: Small in size but big on performance, our 33W USB-C Charger is setting a new standard for compact chargers. Its GaN Chip technology efficiently delivers 45 watts of power, making it a true workhorse.

Lightning-Fast Charging: Speed is at the core of the Nano Series. Thanks to PD 3.0, your devices will charge at an astonishing pace. Keep up with the hustle and bustle of your daily life, all without the agonizing wait for a full battery.

Built to Last: The Nano Series is known for quality, and this charger is no exception. It's robust, enduring, and reliable, making it a long-lasting addition to your tech arsenal.

Superior Materials: In elegant black, our charger is more than just stylish - it's made from premium materials that assure both form and function. It's not only a charger but a statement piece for your setup.

Universal Compatibility: The true magic of our 33W USB-C Charger is its universal compatibility. It seamlessly works with all brands of laptops, tablets, mobile phones, and any USB-C enabled devices. No need to juggle multiple chargers; the Nano Series has you covered.

Elevate your charging experience with the 33W USB-C Charger from our Nano Series. It embodies the future of charging technology, where innovation, power, quality, and universal compatibility converge. Say farewell to the days of slow charging and embrace the dynamic world of the Nano Series - where compatibility knows no bounds, and your devices are always powered up and ready for action.

- Compact, Powerful, and Fast Charging
- Tested and certified
- Superior Performance
- Reliable with 36 month Warranty

Caractéristiques

Autres caractéristiques

Protection contre les court circuits

Oui

Autres caractéristiques	Protection contre les surcharges	Oui
Caractéristiques	Certification	CE
	Couleur du produit	Noir
	Fréquence d'entrée	50 - 60 Hz
	Matériau du boîtier/corps	Plastic
	Puissance de sortie	33 W
	Tension d'entrée	110-230 V
	Type d'alimentation d'énergie	Indoor
	Type d'énergie courante	CA vers CC
	Utilité	Universal
Contenu de l'emballage	Types de fiches d'alimentation fournies	EU
Design	Bouton marche/arrêt intégré	Non
	Couleur du boîtier	Noir
Détails techniques	Consommation d'énergie (mode veille)	0,1 W
	Puissance	33 W
Informations sur l'emballage	Quantité	1 pièce(s)
	Type d'emballage	Box
Legal Information	ADR Information	No restrictions
	Country of Origin	China
	EU ECCN Code	N/A
	Tariff No.	8504406090
	UNSPSC Code	39121006
	US ECCN Code	5A992
Package dimensions	Depth (package,cm)	3 cm
	Gross Weight (Package, kg)	0,36 kg
	Height (package,cm)	7 cm
	Width (package,cm)	3 cm
Product dimensions	Height (product,cm)	7 cm
	Net Weight (Product, kg)	0,02 kg
	Product Depth	3 cm
	Product Width	3 cm
Puissance	Ajustement de la tension de sortie automatique	Oui
	Tension de voltage à l'entrée (min)	100 V
représentation / réalisation	Connecteur(s)	USB-C
Vendor information	Brand Name	CoreParts
	Warranty	3 Année (s)
