

CoreParts USB DRIVE

USB 3.0

Main features

Classic design

Colour intensity of the cover

Plug with raised anti-slip pattern

Available capacities: 16, 32, 64, 128, 256 GB

10 year Warranty

CoreParts USB Drive is a modern approach to the classic design, emphasized by the intensity of cover colors. The plug with a convex anti-slip design makes it easy to open the USB in any situation. After removing the plug, you can put it on the other end of the cover - this ensures that you will not get it lost. There is a perforation to attach the pendant – it is an ideal solution for those who like to have a USB stick always with them. CoreParts USB Drive is available in the capacities from 16 GB to 256 GB. The used components enable to read speeds of up to 60 MB / s and write from 20 MB / s. CoreParts USB Drive is covered by a 10 year warranty.

Parameters

Available capacities	16, 32, 64, 128, 256 GB
Interface	USB 3.0 (3.1 GEN 1) Compatibility with 3.1, 3.0, 2.0, 1.1
