

Kärcher WD 3 S V-17/4/20, 1000 W, Drum vacuum, Dry&wet, Dust bag, 17 L, Filtering

1000 W - Wet and dry cleaning - 17 L container capacity - Blower function - Cable hook - Parking position

Group	Cleaning Equipment
Manufacturer	Kärcher
Manufacturer item no.	1.628-135.0
EAN/UPC	4054278656106

Description

The WD 3 S V-17/4/20 is powerful and energy-efficient with power consumption of only 1000 W. The machine as well as the suction hose and the Clips floor nozzle are perfectly matched – for the best cleaning results on dry, wet, fine or coarse dirt. The wet and dry vacuum cleaner impresses with its compact design and a robust 17 l stainless steel container, 4 m cable, 2 m suction hose and its fleece filter bag. Thanks to the single-piece cartridge filter, it is possible to vacuum both wet and dry dirt without filter replacement. The blower function is useful for cleaning areas that are difficult to access. The hose is stored by hanging it on the machine head, thus saving space. The cable can be stored on the cable hook, tubes and floor nozzles at the bumper. The "Pull & Push" locking system allows the simple opening and closing of the container. The handle of the vacuum cleaner can be removed and the accessory can be connected directly to the suction hose. Also clever: Tools or small parts can be set down on the area on the machine head. The ergonomically shaped carrying handle enables comfortable transport.

Single-part cartridge filter

For wet and dry vacuuming without additional filter replacement. Simple installation and removal of filter by turning without additional locking part.

Practical cord and accessories storage

Space-saving, secure and easily accessible accessories storage. The power cable can be safely stored using the integrated cable hooks.

Hose storage on the device head

The suction hose can be stored in a space-saving manner by hanging it on the device head. Intuitive securing mechanisms for left- and right-handed users.

Main features

	General
Maximum input power	1000 W
Type	Drum vacuum
Cleaning type	Dry&wet
Dust container type	Dust bag
Dust capacity	17 L
Dirt separating method	Filtering
Product colour	Stainless steel, Yellow

Extended details

	Design
Type	Drum vacuum
Cleaning type	Dry&wet
Dust container type	Dust bag
Dust capacity	17 L
Product colour	Stainless steel, Yellow
Container material	Stainless steel
Tube parts quantity	2
Tube material	Plastic
Tube length	50 cm
Hose length	2 m
Hose material	Plastic
Number of wheels	4 wheel(s)
	Power
Maximum input power	1000 W
Power source	AC
AC input voltage	220 - 240 V
AC input frequency	50 - 60 Hz
	Performance
Dirt separating method	Filtering
Proper use	Home
Cleaning surfaces	Bare floor, Hard floor
Dust blower	Yes
	Ergonomics
Cord length	4 m
Cord storage	Yes
Dust container full indicator	No
Park/storage assist	Yes
Storage compartment	Yes
Bumper guard	Yes
Carrying handle(s)	Yes
On/off switch	Yes
Control type	Rotary
	Packaging content
Crevice tool	Yes
Manual	Yes
	Weight & dimensions
Width	328 mm

Depth	353 mm
Height	493 mm
Weight	4.8 kg
Package weight	7 kg
