

Talens Pantone Marker

105001110 - Talens | Pantone marker 111

Sketch, draw and design in Pantone colors with Talens | Pantone markers! These high-quality markers contain pigmented, water-based ink in vivid colors based on the Pantone Matching System. Meticulously formulated, adjusted and tested by Talens, co-designed and approved by Pantone. Bring your ideas to life and discover the possibilities! Each marker features two nibs, offering the ultimate flexibility: a brush tip for details and fine lines, and a chisel tip for broad strokes and bold color blocks. The ink dries quickly and is waterproof when dry, which makes it perfect for layering. Use the colors with our unique Talens | Pantone paper for an optimal match with Pantone colors. When your marker runs out of ink, refill it using Talens | Pantone marker ink in the same color! Both are available in an extensive range of 108 colors, allowing you to create freely.

Characteristics:

- Official color match to the Pantone Matching System
- High-quality markers with two nibs: chisel and brush
- Lightfast thanks to pigment-based formula
- Fast drying water-based ink, waterproof when dry
- Use with Talens | Pantone paper for optimal match with Pantone colors
- No paper damage with repeated layering
- Large, refillable reservoir (refill with Talens | Pantone marker inks)
- Available in 108 colors and various sets
- Store horizontally to guarantee optimal ink flow in both nibs
- Proudly designed and produced in Europe
