

LITE GLASS Sistema de herrajes para puertas correderas en vidrio, cierre amortiguado
Sliding glass door system with soft closing KSC

KLEIN®
LITE GLASS+

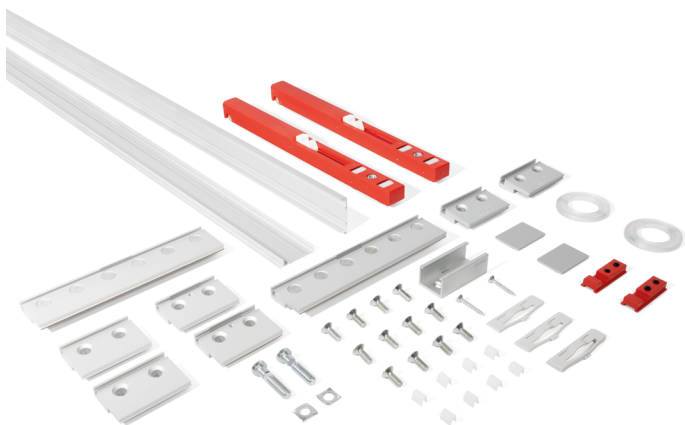

LITE GLASS+ está diseñado para correderas de puerta única o aplicaciones de puertas paralelas de vidrio. Sin guía en el suelo.

- Instalación a techo o a pared, con perfil visto y con perfil empotrado.
- Montaje rápido y un deslizamiento suave.
- Sistema empotrado a falso techo con montaje en dos fases para una instalación fácil.
- Perfil de aluminio anodizado Silver.
- Sistema de frenado de la puerta KSC, Klein Soft Closing, detención suave y controlada. Admite hoja desde 75cm.

LITE GLASS+ is designed to divide rooms using a single sliding wooden panel, without a guide on the floor.

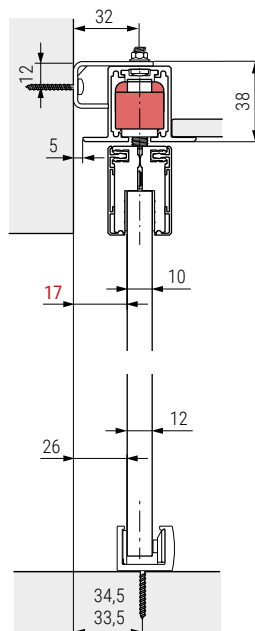

- Ceiling or wall installation, with visible profile and recessed profile.
- Quick assembly and smooth sliding.
- Recessed system in a false ceiling with two-phase for easy installation.
- Natural aluminium profile. Wall or ceiling mounted.
- Option with stopper or KSC soft closing system for smooth function from 75cm door width.
