the Group Head Cleaner x6

Group	Cleaning Supplies
Manufacturer	Sage Appliances
Manufacturer item no.	SCC201NEU0ZEU1
EAN/UPC	9355973135794

Description

New & easy to use single dose sachet design
The range features a new formula and updated sachet packaging, making the cleaning process easier and enhancing the overall user experience.

Removes hard water scale
Prevents buildup that affects machine performance, ensuring smoother operation and a better tasting coffee.

Recyclable packaging
Now in recyclable envelopes, reducing plastic and blister packs for a more sustainable approach.

Coffee Cleaning Range for complete machine care
The new powder form simplify the cleaning process, making it easier to use while helping you avoid direct contact with the product. Colour-coded sackets also allows for clear navigation to enhance the user experience.
