

Amsterdam Standard Series Acrylic

17718002 - Amsterdam Standard Series Acrylic Jar 1000 ml Silver 800

Amsterdam Standard Series acrylic paint in Silver (800) is a semi-opaque color with an excellent lightfastness (+++).

Characteristics:

- Medium viscosity paint for visible brush strokes, texture and smooth coverage with a satin finish
- Made with high-quality, lightfast pigments
- Formulated with 100% acrylic resin binder, resulting in an exceptionally durable and flexible paint film with a uniform degree of gloss
- Odorless, water-based formula that becomes waterproof and permanent when dry
- Extensive range of 90 colors with a great variety in opacity, including 17 Specialty Colors (metallic, pearl and reflex finishes)
- Adheres to virtually any slightly porous surface, including canvas, paper, cardboard, wood, stone and cement
- Proudly crafted in the Netherlands
