Manufacturer item no.	63D7UAT3EU
EAN/UPC	0196801934177

Description

If you're looking to get some serious work done, then the ThinkVision T24mv-30 Monitor is the perfect companion for you! While it seems compact from the outside, its 23.8-inch borderless screen ensures that you have enough screen space to view two windows side by side. The in-built Teams button gets you to your meetings with the click of a button. The In-Plane Switching panel provides a distortion-free view of your display no matter which angle they view it from. Sharp Full HD resolution ensures that everything on display looks crisp and completely clear, whether it's documents or your colleagues in a video meeting. Two noise-cancellation microphones, coupled with two 5W speakers and the VoIP feature ensure that all your video conferences and meetings run without any hiccups! In addition to the variety of input options, the DP Out on the ThinkVision T24mv-30 Monitor lets you daisy chain another display to get twice the screen real estate. The Windows Hello Facial Recognition feature supported by the IR+RGB camera makes logging into work a breeze, while the 5MP camera ensures that you always look crystal-clear in all your meetings.

Four USB 3.2 Gen 1 Type-A ports give you the flexibility to connect all your preferred accessories and storage devices. During long hours of work, the Natural Low Blue Light technology protects your eyes from harmful blue light without any color distortion. Getting the monitor to your preferred ergonomic position is now possible with the flexible LTPS stand, which allows you to lift, tilt, pivot, and swivel the monitor. Additionally, the integrated smart sensor helps the monitor improve your user experience by alerting you if you're sitting too close, reminding you to walk frequently, and turning off the screen when you leave. The ThinkVision T24mv-30 Monitor truly brings out the best in you and ensures that all your remote work is supported by crystal-clear audio and high-resolution visuals.

Main features

Product Description	Lenovo ThinkVision T24mv-30 - LED monitor - Full HD (1080p) - 24"
Device Type	LED-backlit LCD monitor - 24"
Features	Microphone, USB 3.2 Gen 1 hub
Panel Type	IPS
Aspect Ratio	16:9
Native Resolution	Full HD (1080p) 1920 x 1080
Pixel Pitch	0.274 mm
Brightness	250 cd/m ²
Contrast Ratio	1000:1 / 3000000:1 (dynamic)
Response Time	4 ms (extreme), 6 ms (typical)
Colour Support	16.7 million colours
Colour Gamut	99% sRGB
Input Connectors	HDMI, DisplayPort, USB-C
Built-in Ethernet	Yes

Built-in Webcam	5 Megapixel - 2592 x 1944
Display Position Adjustments	Height, pivot (rotation), swivel, tilt
Screen Coating	Anti-glare
Voltage	AC 100-240 V (50/60 Hz)
Colour	Raven black
Dimensions (WxDxH) - with stand (highest position)	53.98 cm x 19.97 cm x 54.28 cm
Weight	6.5 kg
Localisation	Europe
Environmental Standards	TCO Certified Edge Displays, TCO Certified Displays 9, ENERGY STAR Qualified EPEAT Gold
Compliant Standards	CCC, TUV Rheinland Flicker Free Certification, TUV Rheinland Eye Comfort Certification, RoHS 2011/65/EC, TUV Rheinland Low Blue Light (Hardware Solution), TÜV Rheinland Full Care Display 2.0 Certification, TCO Certified 9.0
