

Fiskars PowerGear X HSX92, Black, Orange, Straight blade, Aluminium, 630 mm, 808 g

PowerGear X Hedge Shear HSX92

Group	Garden Power Tools
Manufacturer	Fiskars
Manufacturer item no.	1023631
EAN/UPC	6411501140067

Description

The Fiskars PowerGearX™ hedge shears gives you three times more force thanks to its unique patented mechanism. Add precision-ground stainless steel blades and friction-reducing PTFE blade coating to the equation and you have a real cutting edge combination. As well as the stainless steel blades, it has a weather-resistant, light, and yet incredibly strong aluminium shaft. Its SoftGrip material and 3D contour moulding means you need less force to hold it.

Main features

	General
